

Town Hall Meeting

July 24, 2009

10:45 A.M. – 2:00 P.M.

Held at the Autism Society National Conference
Pheasant Run Resort - Amphitheatre
St. Charles, IL

In collaboration with the *Autism Society*, the *Interagency Autism Coordinating Committee (IACC)* invites you to a Town Hall Meeting to share your comments, feedback and questions regarding services for people with ASD and their families.

Topics include Questions 5 & 6 from the IACC Strategic Plan for ASD Research:

- "Where can I turn for services?"
- "What does the future hold?"

Additional Topics:

- Services for adults
- Community issues
- Family support
- School services
- Provider issues
- Infrastructure
- Evidence-based services and supports
- Health and safety
- Early diagnosis
- Transition to adulthood
- Therapies and treatments
- Health and dental care

Remote Participation:

Written comments are welcome in advance, during and after the meeting until July 31, 2009 at:

iaccservices@mail.nih.gov

Written comments received before or during the meeting may be shared with the audience by the moderators as time permits. For more Town Hall Meeting information, including the videocast access information, please see:
