Committee Discussion of COVID-19 Impact, Response, and Recovery

Joshua Gordon, M.D., Ph.D.
Director, National Institute of Mental Health
(NIMH) and Chair, IACC

Discussion Questions

1. What are some of the ways COVID-19 impacted people on the autism spectrum?

(What are the problems?)

2. What are some areas where IACC can help mitigate the impact by recommending research, improvements in services and supports, or improved coordination and policies?

(What can IACC do to help?)

Break

Public Comment Session

Susan A. Daniels, Ph.D.

Director, Office of Autism Research Coordination,
NIMH, and Executive Secretary, IACC
Acting National Autism Coordinator

Break

Committee Discussion of Racial Equity and Health Disparities in ASD

Joshua Gordon, M.D., Ph.D.
Director, National Institute of Mental Health
(NIMH) and Chair, IACC

Discussion Questions

1. What are some ways that racial inequities impact people on the autism spectrum and autism research and services?
(What are the problems?)
2. What are some areas where IACC may be able to provide advice and recommendations that would address racial equity and health disparities issues in ASD?
(What can IACC do to help?)

Round Robin

Susan A. Daniels, Ph.D.

Director, Office of Autism Research Coordination,
NIMH, and Executive Secretary, IACC
Acting National Autism Coordinator
