Question 5: Services

	2013 Funding*	2013 Project Count	Percentage of 2013 Question Funding
Question_5_Services	\$ 20,026,744.18	126	100.00%
5SA. Support two studies that assess how variations and access to services affect family functioning in diverse populations, including underserved populations, by 2012. IACC Recommended Budget: \$1,000,000 over 3 years.	\$ 1,090,183.00	6	5.44%
5SB. Conduct one study to examine how self-directed community-based services and supports impact children, youth, and adults with ASD across the spectrum by 2014. IACC Recommended Budget: \$6,000,000 over 3 years.	\$ -	0	0.00%
5SC. Implement and evaluate five models of policy and practice-level coordination among State and local agencies to provide integrated and comprehensive community-based supports and services that enhance access to services and supports, self-determination, economic self-sufficiency, and quality of life for people with ASD across the spectrum and their families, (which may include access to augmentative and alternative communication [AAC] technology), with at least one project aimed at the needs of transitioning youth and at least one study to evaluate a model of policy and practice-level coordination among State and local mental health agencies serving people with ASD, by 2015. IACC Recommended Budget: \$25,000,000 over 5 years.	\$ 340,000.00	2	1.70%
5SD. Support two studies to examine health, safety and mortality for people with ASD by 2012. IACC Recommended Budget: \$4,500,000 over 3 years.	\$ -	1	0.00%
5LA. Test four methods to improve dissemination, implementation, and sustainability of evidence-based interventions, services, and supports in diverse community settings by 2013. IACC Recommended Budget: \$7,000,000 over 5 years.	\$ 6,638,826.00	27	33.15%
5LB. Test the efficacy and cost-effectiveness of at least four evidence-based services and supports for people with ASD across the spectrum and of all ages living in community settings by 2015. IACC Recommended Budget: \$16,700,000 over 5 years.	\$ 771,534.00	2	3.85%
5LC. Evaluate new and existing pre-service and in-service training to increase skill levels in service providers, including direct support workers, parents and legal guardians, education staff, and public service workers, to benefit the spectrum of people with ASD to and promote interdisciplinary practice by 2015. IACC Recommended Budget: \$8,000,000 over 5 years.	\$ 3,425,120.18	29	17.10%
5LD. Evaluate at least two strategies or programs to increase the health and safety of people with ASD that simultaneously consider principles of self-determination and personal autonomy by 2015. IACC Recommended Budget: \$2,000,000 over 2 years.	\$ -	0	0.00%
5LE. Support three studies of dental health issues for people with ASD by 2015. This should include: <ul style="list-style-type: none"> o One study on the cost-benefit of providing comprehensive dental services, including routine, non-emergency medical and surgical dental services, denture coverage, and sedation dentistry to adults with ASD as compared to emergency and/or no treatment. IACC Recommended Budget: \$900,000 over 3 years. o One study focusing on the provision of accessible, person-centered, equitable, effective, safe, and efficient dental services to people with ASD. IACC Recommended Budget: \$900,000 over 3 years. o One study evaluating pre-service and in-service training program to increase skill levels in oral health professionals to benefit people with ASD and promote interdisciplinary practice. IACC Recommended Budget: \$900,000 over 3 years. Total IACC Recommended Budget: \$2,700,000 over 3 years.	\$ 510,972.00	2	2.55%
5O. Not specific to Question 5 objectives	\$ 7,250,109.00	57	36.20%

*Any objective colored **green** has funding which is greater than or equal to the recommended funding for the year (determined by annualizing the recommended budget associated with that objective); any objective colored **yellow** has active projects, but with funding that totals less than the annualized recommended amount, while any objective colored **red** has no active projects and received no funding in 2013. Objectives whose overarching aim (e.g., the ultimate goal of the research) was achieved in a previous year are colored **pale green**.
